User Access and Service Changes: Our Discretion

The owner of this website reserves the right to prohibit or restrict user access to the website or related services at any time, without prior notice. We may also amend or discontinue any of the services available through this platform. Transparency and fairness guide our decisions, but we retain the flexibility to adapt as needed.

Performance and Expectations: A Clear Distinction

The performance of Marathontrends Advisory Pvt Ltd. (or IA) does not directly impact the expected performance of the model advisory portfolio. Past performance of financial products, instruments, and the model advisory portfolio may or may not be sustained in the future. Therefore, it should not serve as the sole basis for comparison with other investments.

Risk Considerations: Investing Wisely

Investing in securities carries inherent risks. The value of investments can fluctuate due to various factors affecting financial markets. Market conditions, economic trends, and geopolitical events all play a role. As an informed investor, it is crucial to weigh these considerations and make decisions aligned with your risk tolerance and long-term goals.

In summary, our website provides valuable information, but it is not a substitute for personalized financial advice. We encourage you to explore, learn, and make informed choices while recognizing that every decision carries its own set of risks and rewards.
